Welcome Message

Dear colleagues,

We are delighted to invite you to the Asian Transplantation Week (ATW) 2018, which will be held from 8 (Thu) to 10 (Sat) November 2018 at Bexco, Busan, Korea. This meeting is endorsed by The Transplantation Society.

ATW 2018 will serve as a milestone for all Asian societies developing a young transplant program, and lead to making a firm basis for their initiatives. A large number of world-renowned speakers and delegates will share their expertise, remarkable achievements, and most recent findings. Moreover, we are very excited to offer Travel Grants to selected international abstract presenters, and hope that you will consider submitting an abstract.

We look forward to welcoming you all to ATW 2018 in Busan, Korea!

Dynamic Busan

Our host city, Busan, is Korea's largest port city, offering endless excitement and pleasant surprises. The natural environment of Busan is a perfect example of harmony between mountains, rivers, and the sea. Its geography includes a coastline with superb beaches and scenic cliffs, mountains that provide excellent hiking and extraordinary views, and hot springs scattered throughout the city. Its natural endowments and rich history have resulted in Busan's increasing reputation as a world-class city of tourism and culture.
