Day 1 - November 12 (Thu)

Place	3F	1F					2F							1F	2F
Time	Grand Ballroom 301	Room 1 101-102	Room 2 103	Room 3 104-105	Room 4 106-107	Room 5 108	Room 6 201	Room 7 202	Room 8 205	Room 9 203	Room 10 204	Room 11 206	Room 12 207	E-Poster Zone 109-110	Preview Room 208
07:30-08:30	Registration														
08:30-10:00		PG Course 1 Liver From Detection to Resolution: A Comprehensive Guide to Post-Transplant Vascular Complications	PG Course 2 Basic Emerging Paradigms of Tissue-Resident Immunity in Transplantation	PG Course 3 Laboratory Back to the Basics: Pre-Transplant HLA Antibody Assays	PG Course 4 Pathology Practical Update in SOT Pathology	PG Course 5 Xenotransplantation Latest Updates in Xenotransplantation			PG Course 6 Kidney/Pancreas Surgical Techniques and Complication Management in Kidney Transplantation (Video-Based)						
10:00-10:30	Coffee Break ('30)														
10:30-12:00		PG Course 7 Liver Post-Transplant Nightmares: How to Rescue the Graft and the Patient	PG Course 8 Basic Emerging Technologies in Transplant Immunology	KOR Policy Forum Building a National DCD Framework in Korea: Perspectives from Neurosurgery, Critical Care, Ethics, and Transplantation	PG Course 9 Infection Vaccination in the Pre- and Post-Transplant Periods: 2026 Update	PG Course 10 Organ Recovery Multi-Organ Recovery: Essentials for Successful Deceased Donor Transplantation			PG Course 11 Kidney/Pancreas Genetic Testing and Genetic Disease in Kidney Transplantation						
12:00-13:00	Lunch Talk: Busan on a Plate											Asian Multinational Study Program 1	Asian Multinational Study Program 2	E-Poster Exhibition	Preview Room
13:00-13:30	Opening Ceremony														
13:30-14:00	Special Lecture 1														
14:00-14:30	Coffee Break ('30)														
14:30-16:00		Oral Presentation 1 Liver Liver Transplantation 1	Concurrent Symposium 1 Basic Advances in Gene Editing for Organ Transplantation: From Bench to Bedside		Oral Presentation 2 Kidney/Pancreas Innovations in Diagnostics and Treatment for Kidney Transplant Recipients	GTW (Go Together With) Symposium (Malaysia) Advancing Transplantation in Emerging Settings: Overcoming System, Immunologic, and Infectious Challenges			Oral Presentation 3 Kidney/Pancreas Basic and Clinical Advances in Kidney Transplantation		기자간담회 15:00-16:00				
16:00-19:00	KST Busan Tour Program														

Day 2 (November 13, Fri)

Place	3F	1F					2F							1F	2F
Time	Grand Ballroom 301	Room 1 101-102	Room 2 103	Room 3 104-105	Room 4 106-107	Room 5 108	Room 6 201	Room 7 202	Room 8 205	Room 9 203	Room 10 204	Room 11 206	Room 12 207	E-Poster Zone 109-110	Preview Room 208
08:00-09:30		Oral Presentation 4 Liver Liver Transplantation 2	Oral Presentation 5 Basic Experimental and Translational Transplantation	Oral Presentation 6 Lung Advances in Lung Transplantation: Clinical Outcomes and Molecular Insights	Asian Collaboration Symposium	KOTRY- AI Multimodal Approach in Organ Transplantation	TSS Opening Ceremony		Oral Presentation 7 Kidney/Pancreas Precision Assessment in Kidney Transplantation and Disease	Oral Presentation 8 Xenotransplantation From Gene-Edited Donors to Optimal Immunosuppressants: Multi-Organ Advances in Xenotransplantation		Mentor-Mentee Program 1	Mentor-Mentee Program 2		
09:30-10:00	Coffee Break ('30)														
10:00-10:30	Special Lecture 2														
10:30-11:00	Keynote Lecture 1														
11:00-11:30	Living Legend Session														
11:30-12:00	General Assembly														
12:00-13:00	Luncheon Symposium 1 (Astellas Pharma Korea)								Luncheon Symposium 2 (GC Biopharma)			Meet the Professor 1 (Xenotransplantation)	Meet the Professor 2 (Laboratory)	E-Poster Exhibition	Preview Room
13:00-14:00	Plenary Session 1 (Best Papers)														
14:00-14:20	Coffee Break ('20)														
14:20-15:50		Concurrent Symposium 2 Liver AI in Liver Transplantation	Concurrent Symposium 3 Infection Outpatient Antimicrobial Therapy in Transplantation: Expanding Boundaries Beyond Hospital	Concurrent Symposium 4 Lung Novel Therapy of CLAD	KST-ESOT Joint Symposium Transplanting the Highly Sensitised Patient: Only Through Multidisciplinary Innovation		TSS Concurrent Symposium 1 Machine Perfusion Machine Perfusion: Present Realities and Future Promises	TSS Concurrent Symposium 2 Laboratory Clinical Updates and Innovative Strategies in HLA/ABO-Incompatible Transplantation	Concurrent Symposium 5 Kidney/Pancreas Kidney Transplantation in Elderly and Frailty Issue in Transplantation	Concurrent Symposium 6 Xenotransplantation Will Infection Become a Major Obstacle to Xenotransplantation?	Vitallink Symposium 1 Transplantation in Asia: Achieving Self-Sufficiency in Organ Transplantation	Asian Multinational Study Program 3	Asian Multinational Study Program 4		
15:50-16:20	Coffee Break ('30) & Mini-Oral Presentation														
16:20-17:50		Concurrent Symposium 7 Liver Navigating Frailty for Optimal Liver Transplant Outcomes		Concurrent Symposium 8 Lung Understanding Each Other: Asian Lung Transplant Networking	KST-TST (Thailand) Joint Symposium Infection Prophylaxis in Transplantation	Women In Transplantation Gender Disparity in Asia	TSS Concurrent Symposium 3 Kidney Stem Cells and Regenerative Medicine	TSS Concurrent Symposium 4 Liver Navigating Immunological Challenges: From Alloreactivity to Graft Survival	Concurrent Symposium 9 Kidney/Pancreas ABMR and MVI – From Pathophysiology to Diagnosis	Concurrent Symposium 10 Xenotransplantation Multifaceted Strategies to Optimize Outcomes in Xenotransplantation	Vitallink Symposium 2 Overcoming Barriers to Deceased Organ Donation in Asia: A System-Based Approach				
17:50-18:30															
18:30-21:00	Gala dinner														

Day 3 (November 14, Sat)

Place	3F	1F					2F							1F	2F
Time	Grand Ballroom 301	Room 1 101-102	Room 2 103	Room 3 104-105	Room 4 106-107	Room 5 108	Room 6 201	Room 7 202	Room 8 205	Room 9 203	Room 10 204	Room 11 206	Room 12 207	E-Poster Zone 109-110	Preview Room 208
08:30-10:00		KOR Concurrent Symposium 11 Brain Death Determination Rethinking Brain Death Determination for Organ Donation in the Era of Organ Shortage: Global Standards and Future Directions	Concurrent Symposium 12 Heart Rethinking Cardiac Allograft Vasculopathy	Concurrent Symposium 13 Transplantation in Robotic Surgery Era		ASTREG Joint Symposium Database and Registry	TSS Concurrent Symposium 5 Laboratory New Horizons in Transplant Diagnostics: From Microbiome to Organ-on-a-Chip	TSS Concurrent Symposium 6 Liver Next-Generation Biology of Liver Transplantation	Concurrent Symposium 14 Kidney/Pancreas New Therapies in Kidney Transplantation	Concurrent Symposium 15 Xenotransplantation How Do Histopathological Findings in Xenotransplantation Differ from Those in Allotransplantation?	KOR Concurrent Symposium 16 Coordinator Transplant Coordinator Beginner Course	Mentor-Mentee Program 3	Mentor-Mentee Program 4		
10:00-10:30	Coffee Break ('30) & Mini-Oral Presentation														
10:30-12:00		Concurrent Symposium 17 Liver Video Session: How to Restore Portal Flow: Case-Based Surgical Decision-Making in Difficult Liver Transplantation	Concurrent Symposium 18 Heart Optimizing Donor Utilization in Heart Transplantation	Lung Workshop (Video Session)	KJTF 1 How to Improve Deceased Donor Transplantation Using Modern Technologies	KOTRY Joint Symposium Linking KOTRY with External Big Data	TSS Concurrent Symposium 7 Kidney Foundation Models and Clinical Intelligence in Transplantation	TSS Concurrent Symposium 8 Kidney Kidney Paired Donation for Highly Sensitized Patients: European Experience and Practical Challenges in Asia	Concurrent Symposium 19 Laboratory/Pathology Precision Immunology in Kidney Transplantation: Navigating on Non-HLA Antibodies	Concurrent Symposium 20 Xenotransplantation How Can Asian Countries Foster Legal and Social Acceptance of Xenotransplantation?	KOR Concurrent Symposium 21 Coordinator Practical Approaches to Organ Donation and Transplant Coordination: Improving Utilization	Vitallink Workshop 1			
12:00-13:00	Luncheon Symposium 3 (Chong Kun Dang Pharm.)											Meet the Professor 3 (Lung)	Meet the Professor 4 (Liver)		
13:00-13:30	State-of-the-Art Lecture													E-Poster Exhibition	Preview Room
13:30-14:00	Keynote Lecture 2														
14:00-15:00	Plenary Session 2 (Best Papers)														
15:00-15:20	Coffee Break ('20)														
15:20-16:50		Concurrent Symposium 22 Liver Clinical Uncertainties in LDLT for Down-Staged HCC	Oral Presentation 9 Donation Organ Donation: From Barriers to Outcomes	Concurrent Symposium 23 Laboratory HLA Immunogenicity and Eplet Analysis	KJTF 2 Transplantation in Super-Aging Society	KOTRY-Omics Omics approach in Korean Organ Transplantation Registry	TSS Concurrent Symposium 9 Lung AI Tools in Transplantation	TSS Concurrent Symposium 10 Heart Translational Frontiers in Heart Transplantation	Concurrent Symposium 24 Kidney/Pancreas Infections in Kidney Transplantation: Challenges and New Strategies	Concurrent Symposium 25 Xenotransplantation How Do Clinical Translation Strategies for Xenotransplantation Differ Among Asian Nations?	KOR Oral Presentation 10 Coordinator Bridging Organ Donation and Transplantation	Vitallink Workshop 2			
16:50-17:50		Oral Presentation 11 Liver Liver Transplantation 3	Oral Presentation 12 Heart Advances in Heart Transplantation and Mechanical Circulatory Support	Oral Presentation 13 Lung Surgical Strategies and Donor-Graft Considerations in Lung Transplantation		Vanguard Award Session	TSS Oral Presentation 1	TSS Oral Presentation 2	Oral Presentation 14 Kidney/Pancreas Multifaceted Approaches in Kidney Transplantation	Oral Presentation 15 Xenotransplantation Preclinical Advances in Xenotransplantation					
17:50-18:20	Award Ceremony & Closing
